Now more than ever, they need our help!

In these tight economic times, like all non-profit organizations we're facing tighter budgets, less state support, and cutbacks in staffing.

At the same time, the number of families who need our help is increasing every day.

We're continuing to provide a safe place for kids with expanded services, after-school programs, membership & summer camp scholarships, help with homework, and more. And we're providing hope—support through the hard times, encouragement, and the opportunity to explore what's possible.

The event will be held on **Saturday, December 1st, 2012** beginning at 8pm at the BEST Youth Activity Complex **(180 Centennial Avenue)** in Piscataway and will include a buffet dinner, music, dancing (**9 -12pm Adults Only),** and special performances by Club members, guest emcee, plus silent and live auctions.

Here are two ways you can help:

Purchase tickets to the event: $25/person
